

Shrink Wrapping System

STARTER KIT

- A complete shrink wrapping system to professionally package any product.
- Shrink wrapping can be used to package parts, repack returns, pack CDs, cassettes, videos, DVDs, books, and other various items.
- Quickly create a sealed, custom-size shrink wrapping that improves the appearance of the product and also keeps the product clean, moisture-free, and tamper-proof.

The starter kit includes:

- **HAND SEALER** (FS Series) with a round cut wire, either 8", 12", or 16"
- **SHRINK BAGS**, 500 pcs., CD, DVD, or VHS size
- **HEAT GUN**, HG-1

FS SERIES

Stock Number	Sealer Model	Shrink Bags
SWK-8-04CD	8" FS-200	CD
SWK-8-04D	8" FS-200	DVD
SWK-8-04V	8" FS-200	VHS
SWK-12-04CD	12" FS-300	CD
SWK-12-04D	12" FS-300	DVD
SWK-12-04V	12" FS-300	VHS
SWK-16-04V	16" FS-400	VHS

Simple to use:

Insert item in the shrink bag. Seal and cut the shrink bag by lowering the seal arm. Use the heat gun to shrink the bag tightly around your product.
