STANDARD VACUUM POUCHES and TUBING

We carry 3 Mil, 3 Mil w/ tear notch, 4 Mil, and Boilable (*Sous Vide*) vacuum pouches along with 3 Mil vacuum tubing. Our poly/nylon co-extruded vacuum pouches and tubing will virtually stop oxygen from penetrating thru the pouches.

Using a vacuum sealer and pouch will significantly extend the life and flavor of your food, as well as prevent freezer burn and dehydration loss eliminating waste.

Our vacuum bags meet FDA and USDA regulations.

Pouches comprise ½" seal on all three sides and sizes quoted are outside diameter.

We also carry channel vacuum bags for home vacuum sealers such as the FoodSaver and Seal-A-Meal machines.
